

On behalf of the Horizon Council and the Lee County Economic Development Office, we are pleased to inform you that Wildcat Run Charitable Foundation has been selected as a finalist for the **2018 Nonprofit of the Year Award (Small)**. While your submission was not selected as the winner, we want to congratulate you for being a finalist in this competitive category. You created a well-crafted, engaging submission that made selecting only one winner incredibly difficult for our judging panel.

The Nonprofit of the Year Award is given to a Section 501(c)(3) non for profit organization that has recognized a business or civic need within our community and through community responsibility, innovation, growth, sound business practices and community partnerships serves our community with vision and integrity. Thank you for your contributions to our community and for participating in the 2018 Industry Appreciation Awards process.

Wildcat Run Charitable Foundation will be recognized as a finalist during the program as well as in promotional materials. The awards will be held on October 4, 2018 at the Hyatt Regency-Coconut Point. As a finalist, we would like to extend (1) one complimentary reservation to the luncheon. Please look for an evite in your inbox in the upcoming weeks. We hope you can join us!

Best wishes to you for continued success.

Regards,

Amy
