

Thank You Notes From Our Charities

"The Wildcat Charitable Foundation understands how important it is to support programs to teach kids how to protect themselves from the dangers of trafficking and recognizes the value of the work Human Trafficking Awareness Partnerships does in summer camps, afterschool programs and now in the Lee County Schools. As we expand we appreciate their support which helps us reach even more children."

Thank you for donation of books! We are going to set up a lending library in our office house that every Safe House can borrow - then, that way more girls get to utilize these.

We are very appreciative of this - as these go a long way in new thinking for the girls which leads to encouragement and good influence!

Appreciatively, Lowell and Sally
