Dear Judy and the Wildcat Fun Charitable Foundation,

Thank you so much for your generous contribution of \$6820 for our programs for our programs with Valerie's House. We are very grateful for your donation and also for your help through the development of the project.

We are looking forward to reaching out to bereaved children and their families and believe our program will help them through the grieving process by learning ways they can protect themselves and by empowering them to help others understand the lures of human trafficking.

*Thank you again! We appreciate everything you have done for HTAP.*

Sincerely,

Nola Theiss, Executive Director
