

Wildcat Gives Back to the Community Thursday, September 21st

Time: Bagpiper will perform at 8:00am followed
by an Honor Guard, singing of our National Anthem
and an 8:30am Shotgun start.

Wildcat Run is hosting its 7th Annual golf tournament and luncheon to say "Thank You" to the members of the Sheriff's Office, Police Officers, Firefighters, and EMT's; the first responders who service us and our local community .

This is an opportunity to recognize them and the work they do. Join your fellow WCR residents to greet the participants and view the opening ceremonies.

The club invites all Members who were veterans, first responders, and or police/fire to a complimentary day of golf and lunch with our guests. All other members are encouraged to submit their names to play, and selection will be on a first-time, first-serve basis to Janet Sherwood at
